Category Descriptions: **There is a limit of one entry per person in each category.** Categories are determined by the **number of people** involved in making the quilt and its size. For your convenience, size requirements (large, medium and small) are listed on the previous page with each specific category. **Perimeter is the total of all sides.**

All categories are eligible for Best Of Show unless otherwise noted.

❖ **Individual** (categories 1-7) are bed or wall quilts made and quilted entirely by one person.

❖ **Duet** (categories 8-15) are bed or wall quilts made by 2 people.

Examples include tops pieced by one person and quilted by someone else or blocks pieced by someone else, then assembled and quilted by another.

❖ **Group** category is for quilts made by 3 people or more. Examples include Guild or Raffle quilts, Round Robins, Block Exchanges, etc. where at least 3 people contributed to the quilt's construction.

❖ **Modern Quilts** are functional and inspired by simplistic design. They may include, but are not limited to, the following characteristics and techniques: minimalism, asymmetry, expansive negative space, alternate grid work, improvisational piecing and bold, neutral or solid fabrics and colors. They also may be based upon a re-interpretation of traditional blocks or lack visible block structure.

❖ **Pictorial Quilts** are representational, and feature a person, place, or thing, such as a landscape, still life, or portrait of a person or animal. Pictorial quilts can be any subject or style, from photo-realistic to whimsical, to slightly abstract. They are often created more for the sake of art than with an intended function, and are usually displayed on a wall rather than a bed.

❖ **Clothing / Accessories / Home Décor** is a combination of wearable items, (including, but not limited to jackets, vests and full ensembles), personal accessories (such as purses or tote bags) and home decoration pieces (including, but not limited to table runners and pillows). All items must include a minimal amount of quilting. No part of a clothing ensemble may be purchased ready-to-wear. Entries will be accepted for display in order of registration and as space allows. They will not be judged nor considered for Best of Show.

❖ **Youth-the maker must be 16 or under.** Maker must be sponsored (entry fee paid) by a member of West Virginia Quilters, Inc. Quilt will be evaluated and a participatory ribbon will be awarded.

❖ **Non-Judged** category is for those who prefer to not have their items evaluated and will be accepted for display in order of registration and as space allows. Items entered in this category will not be considered for Best of Show and **cannot be entered in a judged category in future WVQI Festivals.**
